

**\*\* If you take your book home please be sure to return it after the holiday!**

## **Geography Year 8 end of year examinations - Revision list**

### **Unit 1 (China)**

- **Locating China** (Can you locate China at a regional and global level?)
- **Human and physical features** (Do you know the difference between human and physical geography? Can you give examples of each from within China?)
- **Population distribution** (Can you describe where people live in China using map evidence. Be aware of key terms such as dense and sparse!)
- **Migration** (Why do people move from the countryside to the city? What is this called? Can you use a range of push and pull factors to explain it?)
- **Environmental impacts of urban growth** (How do cities impact the environment in a negative way? Consider air, water and land. How might this impact humans?)
- **One child policy** (What was it? Why was it needed? Was it a success or not?)

### **Unit 2 (Globalisation)**

- **What is globalisation?** (Can you define globalisation?)
- **Why has globalisation occurred?** (Can you explain why globalisation has occurred? What has allowed money, ideas, people and products to spread around the world?)
- **Why do companies go global?** (What are the benefits to a company expanding globally? Can you describe why this will allow higher profits?)
- **What are conflict/blood minerals?** (What is coltan and where is it sourced? Has coltan brought benefits to the Congo or problems? Can you describe these issues?)
- **What are the conditions like at apples iPhone factories?** (Can you describe how workers are treated at Foxconn factories?)

### **Unit 3 (Tourism)**

- **Tourism growth** (Can you interpret a line graph? Can you give reasons as to why tourism has increased in the UK over the last 70 years?)
- **Tourist environments** (Why do people visit tourist environments such as mountains, cities and coasts?)
- **National parks** (Is tourism beneficial for national parks? What are the benefits to the local economy and how might tourism cause conflict with different user groups?)
