

## Year 10 Biology Combined Foundation Assessment Revision List:

### **Cell Biology**

Cell structure

Transport of molecules

Link - <https://www.bbc.co.uk/bitesize/topics/z2mttv4>

### **Organisation**

Digestion

Enzymes

Food tests

Link - <https://www.bbc.co.uk/bitesize/topics/zwi22nb>

### **Infection and response**

Disease in plants

Protist infection

Link - <https://www.bbc.co.uk/bitesize/topics/z9kww6f>

### **Bioenergetics**

Photosynthesis and the required practical

Anaerobic respiration

Exercise

Link - <https://www.bbc.co.uk/bitesize/topics/zgr997h>

### **Skills:**

Plotting a graph

Analysing tables and graphs

Writing a method using an equipment list

Identifying variables from a method
